Maturity comes in aging

Our Chablis Premier Cru Montmains Vieilles Vignes come from 3 vineyards aged around 40 to 50 ans. They are producing very concentrated and aromatic grappes.

From his youth, the Montmains is all round with beautiful floral notes and rifle stone. He will convince the amateur and surprise the connoisseur.

Guide Gilbert & Gaillard 89/100: *Light yellow-gold. Endearing nose combining floral and lemony notes with mineral undertones. Ample, soft attack flowing into a structured yet fresh mid-palate. Full and dynamic. Needs a little more bottle time.*
